The St. Anne - St. Catherine Youth Mission trips create an environment where the youth of the parishes can enrich their faith life while developing a community of faith with their peers. This is accomplished through service missions to some of the neediest areas of our country.

The Westford Historical Society is committed to stimulating interest in the history of our community by collecting, preserving and sharing our unique cultural heritage. To achieve this purpose they support research and encourage the preservation of historical documents, photographs, relics and sites, offer exhibits, and provide educational and cultural programs.
